

Dear {NAME},

September 2022

Thank you for showing your commitment to making your voice heard by requesting an absentee ballot application. It's so important to make sure your vote is counted by filling out your ballot and sending it back in immediately to guarantee its timely arrival to your local Board of Elections.

My name is John Brooks, and I've worked across the aisle to get things done for Nassau County since 2017. I am a veteran, firefighter, and dedicated to creating progress for long Islanders.

If re-elected as our New York State Senator, I will prioritize

Protecting women's right to choose. In 2019, I co-sponsored and voted in favor of the Reproductive Health Act, a law that codified Roe vs. Wade protections in New York.

Protecting our district's families by **combatting gun violence**. As your New York State Senator, I sponsored legislation to expand background checks in New York, ban bump stock devices, and outlaw disguised guns designed to look like toys.

Making Long Island affordable by **cutting property taxes**. The John Brooks Property Tax Reduction Plan will lower property taxes up to 20 to 30% for overburdened homeowners without raising taxes or cutting services.
